# Participant's Expectations

## Pre-Survey Synthesis

### Activity Flow (20 Min.)

You

- Choose 3 issues/responses that are most important to you in all 3 questions.

Group

- Confer, and as a group select the top 3 priority issues in all 3 questions.

Group

- Identify resources that can address the issues (including you or your agency).

Big Group

- One member of the group will report the result of collaboration to the big group.

Developmental Services

# Big Group Discussion

---

## 1. As a BIG group, what part of mental health services are the most challenging?

1.	Resources:
2.	Resources:
3.	Resources:
4.	Resources:
5.	Resources:

## 2. As a BIG group, what do you expect the council to achieve in the short term?

1.	Resources:
2.	Resources:
3.	Resources:
4.	Resources:
5.	Resources:

|

## 3. As a BIG group, what do you expect the council to achieve in the long term?

1.	Resources:
2.	Resources:
3.	Resources:
4.	Resources:
5.	Resources:

# Conceptualizing the NoVA Refugee Mental Health Council and Referral System

*An idea to start the conversation:*

There is one NoVA Refugee Mental Health Council with different mental health referral system based on county resources

---

# *Next Steps* *Next Meeting*

---

*Thank you very much*  
for coming and participating in the  
first meeting of the NoVA Refugee  
Mental Health Council and  
Referral System
